*"Tori is a wonderful teacher and has been invaluable to me, by giving me the tools to 'ground' myself. She is extremely insightful ... I have never experienced readings like hers... she really sees me and my spirit. And she is a delightful person to be in company with!"*  
– Janet Lavin, Cause Related Marketing, Long Island, NY

*"Tori is an enthusiastic, joyful and dynamic teacher. Within the safe space that she creates and holds for you during the clairvoyant development classes, you will learn tools that you can incorporate not only for 'clear seeing' purposes, but also for daily life. Whether in your workplace, when traveling, or in a situation that you are not sure of, you will find these tools useful to help ground, increase and protect your energy."* – Sonam Kushner, CCH, NY

*"First I'd like to offer sincere gratitude for the program you offer. The tools I have learned have made a huge difference in my daily life. I feel more grounded and more protected and more empowered with regard to handling my spiritual self than ever before. Today was so invigorating! It was wonderful to be able to tap into my seeing abilities and give a reading for the first time! So Thank You! Thank You! Thank You!!" - Erika Rose, performer – Long Island, New York*

In these dynamic, unique courses, you will learn an array of powerful psychic tools that will dramatically enhance your daily life, work and relationships. With the clairvoyant and clairaudient techniques Tori teaches, you will quickly be able to notice colors and mental pictures in other people's auras. You will also learn to channel your own personal healing guide--a spirit that works with you to heal yourself and others. By the end of the first course, you will already be able to perform psychic readings and will have gained greater control over your intuition, emotions and energy.
